580302. Foreign Language Proficiency Pay. A member of a Reserve Component who meets the requirements of Chapter 19, section 1901 of this volume and any additional requirements of the Military Service concerned, is entitled to foreign language proficiency pay for each regular period of instruction or period of appropriate duty at which the member is engaged for at least 2 hours. This includes instruction received or duty performed on a Sunday or holiday and each period of performance of such equivalent training, instruction duty, or appropriate duties as the Secretary of the Military Department concerned (or designee) may prescribe. The compensation for each such period will be equal to one-thirtieth of the monthly special pay authorized under paragraph 190103 of this volume.

580303. Diving Duty Pay. A member of a Reserve Component who meets the requirements of Chapter 11 of this volume and any additional requirements of the Military Service concerned, is entitled to diving duty pay for each regular period of instruction or period of appropriate duty at which the member is engaged for at least 2 hours. This includes instruction received or duty performed on a Sunday or holiday and each period of performance of such equivalent training, instruction duty, or appropriate duties as the Secretary of the Military Department concerned (or designee) may prescribe. The compensation for each such period will be equal to one-thirtieth of the monthly special pay authorized under Chapter 11, section 1103 of this volume.

580304. Special Duty Assignment Pay. An enlisted member of a Reserve Component who meets the requirements of Chapter 8 of this volume and any additional requirements of the Military Service concerned, is entitled to special duty assignment pay for each regular period of instruction or period of appropriate duty at which the member is engaged for at least 2 hours. This includes instruction received or duty performed on a Sunday or holiday and each period of performance of such equivalent training, instruction duty, or appropriate duties as the Secretary of the Military Department concerned (or designee) may prescribe. The compensation for each such period will be equal to one-thirtieth of the monthly special pay authorized under paragraph 080105 of this volume.

580305. Special Pay for Critically Short Wartime Health Specialist in the Selected Reserves. An officer of a Reserve Component who executes a written agreement to serve in the Selected Reserve of an Armed Force for a period of at least 1 year and not more than 3 years is entitled to special pay for critically short wartime specialists in the Selected Reserves. To be eligible, the individual must be an officer in a health care profession who is qualified in a specialty designated by DoD regulations as a critically short wartime specialty. Qualifying agreements must be entered into between February 10, 1996 and December 31, 2001.

A. Rates Payable. Special pay under this section shall be paid annually at the beginning of each 12-month period for which the officer has agreed to serve. The initial installment is payable upon execution of the written agreement. The annual rate may not exceed \$10,000.

B. Termination and Refund. If an officer voluntarily terminates service before the end of any 12-month period of the contract, recoup the full amount of the annual payment made at the beginning of that 12-month period. A discharge in bankruptcy that is entered less than 5 years after the termination of a special pay for critically short wartime health specialists agreement does not discharge the officer from a debt arising under the terminated additional special pay agreement.
